DETAILED ACTION

Continued Examination Under 37 CFR 1.114

1. A request for continued examination under 37 CFR 1.114, including the fee set forth in 37 CFR 1.17(e), was filed in this application after final rejection. Since this application is eligible for continued examination under 37 CFR 1.114, and the fee set forth in 37 CFR 1.17(e) has been timely paid, the finality of the previous Office action has been withdrawn pursuant to 37 CFR 1.114. Applicant's submission filed on 8/23/06 has been entered.

Allowable Subject Matter

2. Claims 1-25 are allowed.
3. The following is an examiner's statement of reasons for allowance: the prior art fails to disclose the recited combination of steps in a method for establishing a connection between a mobile device and destination number, including sending a message from the mobile device of a participant to a callback computer, the message including the destination number and information which requests a call from the mobile device to the destination number in order to establish said connection between said mobile device and said destination number, and checking, before establishing said connection, a remaining credit of said participant in a prepaid module connected to the callback computer, calling said mobile device by said callback computer, and calling said destination number by said callback computer, thereby establishing said connection between said mobile device and said destination number, only if the remaining credit exceeds a predetermined amount, as in claim 1; a system for establishing a connection between a mobile device of a participant and a destination number, including a callback computer configured to
